## Kate.

She'd meet me at the garden gate  
At early morn or evening late,  
In rain or sunshine, sure as fate,  
I always found my dearest Kate.  
She loved me with a love as true  
As e'er was given to mortal few;  
And now that I am lost to view  
She does each day that love renew.  
I'd see it sparkling in her eyes  
Like love's young dream from paradise.  
She sees me, and with joyful cries,  
Into my arms of love she flies.

Talk not to me of love so great  
In knight or maid or knightly state,  
No love so pure as that of Kate  
That greets me at the garden gate.  
This love for me so strong, so true,  
Was not of maid with eyes of blue,  
With golden hair or midnight hue,  
For such a love is felt by few.  
Then listen, reader, while I state  
From whom this love for me awaits  
From early morn to evening late  
I always find at the garden gate.

'Tis but a dog, with heart so great  
That none on earth can love like Kate.  
And when I come, although 'tis late,  
She's always at the garden gate.  
—D. H. GOVEN.

## MATRIMONIAL.

Miss Edith Morrow and Mr. Frank B. Marksbury, popular young people of Lancaster, will be married June 9.  
Miss Lora Bohon, the charming daughter of Dr. and Mrs. J. T. Bohon, of the West End, was married in Danville Saturday to Mr. J. F. Jeffers, of Louisville. She has frequently visited here and has many friends in and around Stanford. Mr. Jeffers is a prominent young business man of Louisville.  
The engagement of Miss Tevis Carpenter, of Stanford, to Rev. Homer W. Carpenter, of Lima, O., is announced. The wedding will be a beautiful event of June. The news is of much interest here, where the bride-to-be is much loved and admired, and Mr. Carpenter attended college. Miss Carpenter is a beautiful young girl, charming and accomplished and is a frequent visitor here of Miss Patsey Prewitt, who will be her maid of honor. Mr. Carpenter is a graduate of Transylvania Bible College. He is personally very attractive and has a host of Kentucky friends who will be much interested in the news. He is now making his home in Lima, where he has charge of a church.—Advocate.

**ENGLEMAN-KITCHEN.**—On last Wednesday evening at 8 o'clock, at Ashland, Miss Nannie Woods, daughter of Mrs. Annie Engleman, of this place, greatly surprised her friends and became the wife of Mr. Charles J. Kitchen, Jr., after a beautiful and most impressive ceremony said by the Rev. Felix Struve, of the M. E. Church, South. Miss Engleman, with her mother and sister, were visiting the groom's sisters, the Misses Kitchen, at the time of the marriage and not even the immediate families were aware of the fact, except the father of Mr. Kitchen, who preceded the happy pair to the Methodist parsonage and had everything arranged for the binding of two loving hearts together to go over life's fitful sea and to share each other's joys and sorrows. Miss Engleman is one of Stanford's most popular young ladies and enjoys a large acquaintance in this section among the social world, besides having a large and influential family connection. We know of no one who has left Stanford that will be more reluctantly given up than Miss Engleman by her many friends and admirers but who will, at the same time, wish for her all the happiness that this world can give to one of Cupid's loveliest and fairest daughters; while the groom is one of Ashland's rising young business men, being book-keeper for the large lumber interests of Vansant, Kitchen & Co., of that city, and who is a most excellent young man and is esteemed by all who have the pleasure of his acquaintance. The happy pair are cozily domiciled at the Ventura Hotel for the present, preparatory to going to housekeeping in the early summer. The INTERIOR JOURNAL joins their many friends in extending heartfelt congratulations to the newly wedded couple and wishes for them all the happiness that can come to them. Mr. and Mrs. Kitchen will arrive Saturday to spend a week with relatives here.

**Men Past Fifty in Danger.**  
Men past middle life have found comfort and relief in Foley's Kidney Remedy. L. E. Morris, Dexter, Ky., writes: "Up to a year ago my father suffered from kidney and bladder trouble and several physicians pronounced it enlargement of the prostate gland and advised an operation. On account of his age we were afraid he could not stand it and I recommended Foley's Kidney Remedy, and the first bottle relieved him, and after taking the second bottle he was no longer troubled with this complaint. New Stanford Drug Co."

Kansas' new prohibitory law went into effect Saturday. Under its terms no liquor can be sold for any purpose by druggists or any one else. Doctors' prescriptions will not be recognized as entitling the holders to liquor, as heretofore. Attorney General Jackson declares the law is valid and says that all infractions will be vigorously punished.

**Trouble Makers Ousted.**  
When a sufferer from stomach troubles takes Dr. King's New Life Pills he's mighty glad to see his Dyspepsia and indigestion fly, but more he's tickled over his new, fine appetite, strong nerves, healthy vigor, all because stomach, liver and kidneys now work right. 25c at Penny's Drug Store.

**Women Who Are Envied.**  
Those attractive women who are lovely in face, form and temper are the envy of many, who might be like them. A weak, sickly woman will be nervous and irritable. Constipation or kidney poisons show in pimples, blotches, skin eruptions and a wretched complexion. For all such, Electric Bitters work wonders. They regulate Stomach, Liver and Kidneys, purify the blood, give strong nerves, bright eyes, pure breath, smooth, velvety skin, lovely complexion. Many charming women owe their health and beauty to them. 50c at Penny's Drug Store.

THE county officials of Garrard will publish a statement of the financial condition of that county in a few days. This is done according to law. Our fiscal court doesn't seem to have as high regard for the law as that of our neighboring county. What is the matter? Certainly there is no rottenness in Lincoln.

SOMERSET.—Somerset was in her gala attire last week and the good little city was alive with people. The annual street fair was going on and Puckians were on hand from Buck creek to the head waters of Fishing and from Burnside to Buncomb. Since the beautiful fountain and park have been built in the "square" there is not sufficient room for the street fair in town, so the fair grounds were pressed into service. Most of the shows were good and the free attractions were above the average. Somerset is moving along nicely and business is good, notwithstanding the fact that the division has been moved to Danville and not a great deal of work is being done in the shops. The stores have every appearance of prosperity, the banks are full of money and some building and lots of repairing is going on. The republican campaign for county offices is warming up and between now and June 12, when the primary will be held, there will be pulling and hauling galore. Seventy candidates for the various offices paid in and the ballot will be a large one. Our old countyman, Judge E. S. Gooch, is still holding down the office of city or police judge, to the satisfaction of good people and to the terror of evil doers. He is a candidate for re-election with splendid chances of winning. It would be a calamity to defeat such a satisfactory official. Somerset democrats are very desirous that Editor Cecil Williams, of the Times, win the secretaryship of the sub-committee which will have its headquarters at Lexington. He is well equipped for the place and is deserving of recognition.

## Indigestion

Stomach trouble is but a symptom of, and not in itself a true disease. We think of Dyspepsia, Heartburn, and Indigestion as real diseases, yet they are symptoms only of a certain specific nerve disease—nothing else.  
It was this fact that first correctly led Dr. Shoop in the creation of this now very popular Stomach Remedy—Dr. Shoop's Restorative. Going direct to the stomach nerves, alone brought that organ and favor to Dr. Shoop and his Restorative. Without this original and highly vital principle, no such lasting accomplishments were ever to be had.  
For stomach distress, bloating, biliousness, bad breath and indigestion, try Dr. Shoop's Restorative—Tablets or Liquid—and you will find what it can and will do. We sell and cheerfully recommend.

### GOLD BOND

Speedy son of the Wilkes family. Foaled May 4, 1908.  
Sires—Red Bond, Red Wilkes, Old George Wilkes, Rydick's Hambletonian.

This colt is a handsome, dark bay, 15 1/2 hands; of great substance and style. Can show a lovely clip, without any track hindling. Is level headed, easily handled, should transmit great form, style and speed to his colts, which should sell readily at fancy prices. He has some yearling and two-year-old colts breeders to select from.

Will make the season of 1909 at my farm in Stanford at \$10 to insure a living colt. Money due when colt is foaled or mare parted with.

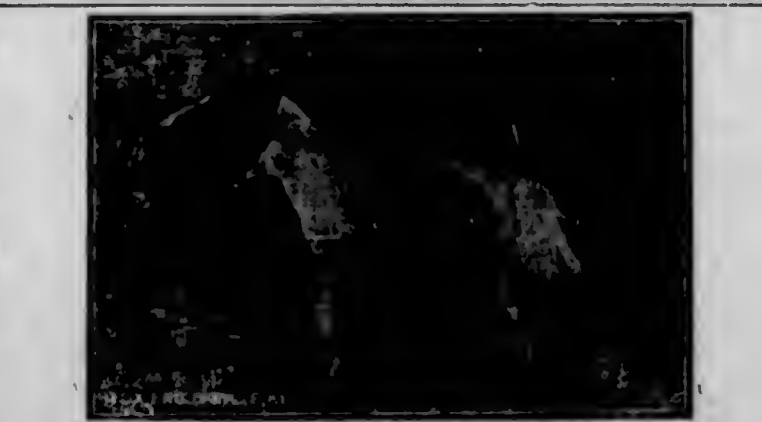

### Red Light.

Red sorrel horse, 4 years old, 16 hands high, extra large and bone.

### PRESTON KING.

10¢ No. 3999, A. S. H. R.

Beautiful bay saddle stallion, 15 1/2 hands, foaled June 1905. His sire was the greatest show horse in Kentucky. He has balance, high action and the speed indicated by these blood lines. He has the long, thin neck, strong, short back, delicate head, well set heavy tail, flat bone, clean hock and good foot and eyes so characteristic of the get of the denmarks. We feel that Preston King's speed, action and individuality must add to the merit of our Kentucky horses and we ask for him a liberal patronage. This richly bred young horse has all the qualities of a great sire: bone and style. His pre-eminent blood lines come to him through selected stock. Preston 22, his sire, was the greatest show horse of his day, winning at all the fairs and horse shows, taking the blue string at St. Louis, winning 1st prize. You see that Preston King can not help but be a great saddle horse sire. His dam, Nelly 2000 was by Van Meter's King 730, tracing to Stonewall Jackson, and on his sire's side to Washington Denmark 64.

Pentence—Sired by Preston 22, by Washington 64, by Cromwell 73, by Washington Denmark 64. 1st dam by Van Meter's King 730, by Silver King, by the Time, by Stone-will Jackson, F. S.
